

## Run or Walk For Your Life!

Peripheral vascular disease is one of the world's largest silent killers today. Join us as we raise public awareness on the importance of exercise in disease prevention while raising funds to further education and research in this important field. Proceeds from the event will help sponsor the underserved in the local community for disease testing.

ISES is a 501(c)3 medical non profit organization whose mission is to further education, public awareness, and research in the noninvasive treatment of peripheral vascular disease and to improve care for patients worldwide.

ISES has partnered with Soles4Souls and will be collecting new/lightly worn shoes prior to the run and day of event. While we plan our event that promotes exercise and wellness, please bring your pairs of new/gently used shoes to donate in order to provide shoes to those who don't have the means to join us and live their lives in bare feet or poorly worn shoes.

### SPECIAL PRIZES / EVENT FEATURES

First Place Awards Overall Male & Female  
First, Second, Third Place Awards in 5 Year Age Groups
