

*Participate even if you will not
be in Scottsdale or Arizona!*

Become an ISES Virtual Participant!

Commit to 30 minutes of exercise on Run or Walk for Your Life Day! You will be treated just as a "real" runner/walker but you can participate from the location of your choice! As a virtual participation, be listed in our participant roster, and receive a certificate so you can proudly display your participation! As a Virtual Runner, you will be assisting ISES raising funds for the education and treatment of peripheral vascular disease. Upon completion of the run you will be on your way to a healthier lifestyle and know that your efforts are helping others at same time by raising funds for peripheral vascular testing for the underserved.

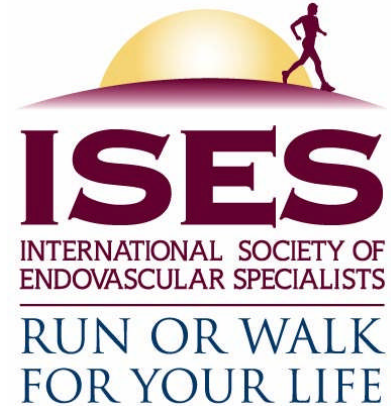

A unique opportunity to participate virtually while others run in our inaugural 3.3 Mile run or 1 Mile Fun Run/Walk on the exclusive grounds of the spectacular Phoenician Resort in Scottsdale, Arizona
